

2015 Donum Vineyard Pinot Noir

PRODUCER

Cattleya Wines are the result of a deep and long love story between my soul and wine. I am Bibiana – born and raised in Colombia, trained as a winemaker in France and now growing roots in Sonoma County. All Cattleya wines are made with fruit sourced from beautiful sites, farmed by the greatest viticulturists and talented crews. My ultimate goal is to make wines with soul and character that are unique representatives of their terroir. My wine philosophy is simple: To produce unique wines of extreme purity, power and finesse.

VINEYARD NOTES

Located in the coolest area of the Carneros-Sonoma coast AVA, this vineyard impresses by its history, the quality of the fruit produced and its importance in California Pinot Noir production. Once part of the traditional Buena Vista Carneros vineyard, the Donum estate was developed and planted in 1989-1990 under a different name. Anne Moller- Racke, viticulturist & vineyard manager, was the driving force of the development and planting of the 45-acre estate. Her passion for winegrowing and her deep knowledge of Pinot Noir in Carneros were essential reasons for me to initially approach her in 2012 to purchase fruit.

WINEMAKING NOTES

Roederer clone was harvested on September 25. Fruit was 100% destemmed. After a 10 day cold soaking, fermentation began and punch downs were done daily throughout maceration. The wine fermented on the skins for 16 days, then was drained and barrelled down for malolactic fermentation and aging. After 11 months in 50% new oak, the wine was bottled unfiltered and unfiltered.

CRITICS TASTING NOTES

Coming from very old vines (37 year old vines), the 2015 Pinot Noir offers lots of black cherry, framboise, dried violets and spice characteristics in its elegant, seamless, yet still voluptuous and layered profile. Perfumed and complex aromatically, it's silky and refined on the palate, with present, yet polished tannin. This terrific 2015 has everything, complexity, volume, depth and length. Drink it anytime over the coming decade.
