Light gold. Pear, orange, honey and jasmine on the perfumed, mineral accented nose. Broad and fleshy on entry, then more taut in the mid-palate, Showing very good depth and energy to its spice-accented citrus and orchard fruit flavors. Picks up a smoky note on an incisive finish that clings with resonating spiciness and minerality.

Vivid red. Sexy aromas of black raspberry, potpourri, Asian spices and minerals, with a subtle vanilla undertone. Sweet and creamy in texture but vibrant as well, offering spicy red berry and cherry-cola flavors and a touch of smokiness. Juicy, focused and pure, with strong finishing lift and excellent persistence.
