Bibiana Gonzalez Rave Pisoni continues to produce a thrilling Syrah under her Cattleya label. Seeing ten days of cold soak, a slow fermentation (ten weeks), and 15 months in 50% new French oak before being bottled unfiltered and unfiltered, the 2012 Syrah Soberanes Vineyard offers a beautiful, forward, full-bodied style to go with notions of mint, blueberry, blackberry, liquid rock and exotic spice. Nicely concentrated, with solid mid-plate depth and building, fine tannin, it should be at its best from 2016-2022.
